Call for Industry Awards Nominations

Request for Nominations for the AHMA-NCNH 2011 Awards Program

Each year, AHMA-NCNH recognizes the many challenges and opportunities facing individuals in all aspects of the affordable housing industry with an awards program to recognize individuals for their outstanding contributions to the multifamily affordable housing industry. This year, Yardi Systems is the presenting sponsor of the awards.

There are four award categories:

1. Outstanding Contribution by an Affordable Housing Professional
2. Outstanding Contribution by an Affordable Housing Maintenance Professional
3. Outstanding Contribution by a Government Official
4. Outstanding Contribution by a Resident

AHMA-NCNH and Yardi Systems invites you to nominate

- An **Outstanding Employee** who exemplifies management excellence and professionalism in affordable housing.
- An **Outstanding Maintenance Professional** who exemplifies excellence and professionalism in performing their work.
- An **Outstanding Government Employee** who significantly helped you or who made a notable achievement promoting excellence and professionalism in affordable housing management;
- An **Outstanding Resident** who improves the quality of living at one or more assisted properties by contributing time to benefit the residents or the property.

Because of the great response over the last three years, we have continued with the simplified nomination process. Please complete and submit an entry form in one or more of the categories by fax to:

Awards Committee AHMA-NCNH (510) 834-2462

The application deadline for awards nominations is August 16, 2011. A special committee appointed by the President of the AHMA-NCNH Board of Directors will judge nominations. The awards presentation will be during an awards dinner on September 15, 2011 at the AHMA-NCNH 30th Annual Conference and Trade Show, at The Santa Clara Marriott Hotel, Santa Clara, CA.

If you have any questions or need more information, please contact me at (510) 452-2462.

Sincerely,

Kathy Miles
